

Join us for Hamilton's first Climate Change "Speed-Greening" Event!

Passionate to do something about climate change?

Meet 10 amazing people who are making a difference around climate change issues in their homes and in their city. This evening will inspire and motivate you to continue to play a positive role in your community.

Tuesday October 6th 7pm-9pm
McMaster's Downtown Campus
50 Main St East, Hamilton
(between John & Hughson)

7:00 pm Welcome, introductions & brief overview of the Climate Change Champions program.

7:30 pm Fast and fun presentations that include making 100-mile meals, car sharing, taking your house off-grid & becoming a Transition Town.

Admission is free and space is limited! Please email us at champions@environmenthamilton.org to reserve your seat.
